

# Quality Policy

Your Power is Our Priority

Alba Power Limited ("Alba Power") is committed to providing a quality repair, overhaul and supply service of industrial turbines, marine turbines, power turbines and controls systems; including repair and maintenance in the field, full load test and provision of associated spares.

These activities are undertaken in accordance with the manufacturers' recommendations and specifications and all recognised British, European and International standards.

This Policy confirms our commitment to meeting the quality standards expected by our customers in the delivery of the services/products that we supply to them.

Our quality objectives are to:

- Focus on achieving our customers' requirements, and meeting their expectations efficiently and in full
- Continually seek ways in which to improve the services and products we provide
- Ensure that the business achieves the maximum potential use of its resources

To implement this policy, we shall focus on the needs of our business with particular reference to consistently meeting our statutory obligations and our customers' requirements. Our quality management processes will provide mechanisms for detecting system shortfalls and for stimulating process improvements. This policy shall be reviewed at least annually.

Alba Power shall adopt procedures and disciplines that ensure:

- The system is effectively implemented by undertaking relevant skills training and conducting appropriate quality awareness training;
- Responsibilities for quality requirements are established by communicating these responsibilities clearly to all employees;
- The Policy and procedures continue to be appropriate by initiating regular reviews to check its effectiveness and on-going relevance;
- The company regularly review the needs and expectations of our customers and initiate continuous improvement activities to ensure these needs and expectations are met in the most efficient way possible.

Alba Power directors are responsible for providing suitable and sufficient resources, including technical and financial, to achieve the aims and objectives of this policy.

This policy shall extend to all work undertaken by, or on behalf of, Alba Power Ltd.
